RE: Petition of Carolina Water Service, Incorporated for an Accounting Order to  
Defer and Record as a Regulatory Asset Certain Operations and Maintenance  
Expenses Caused by Hurricanes with Verification  
**Docket No. 2019-17-WS**

Dear Ms. Boyd:

In reviewing the proposed order of the Company filed today in the above referenced docket, it has come to my attention that this Order fails to provide that the Commission, ORS, or any other party, should retain the right to address the reasonableness of the deferred expenses in any subsequent general rate case.

If the Commission revises the language of the proposed order to include this retention of rights, ORS has no objection to the proposed order.

Please contact me if you have any questions regarding this position.

Yours truly,

  
Jeffrey M. Nelson
